

If you haven't been to TMC Lakewood lately,
you haven't *experienced* TMC Lakewood.

New additions opening fall 2005.

TMC Lakewood is expanding to meet the total health care needs of a growing community. Consistent with its ongoing commitment to providing the best health care to the community, TMC Lakewood is embarking on a \$38 million, 175,000 square-foot expansion. The new, state-of-the-art, three-story addition will house:

- ▶ A total healing environment
- ▶ Outpatient/Inpatient surgical suites
- ▶ Medical/Surgical inpatient suites
- ▶ An Ambulatory Surgery Center
- ▶ An Eight-bed ICU/CC
- ▶ An Expanded Emergency Department
- ▶ Physician medical office space
- ▶ The first hospital in the country to reflect LEED standards, (Leadership in Energy and Environmental Design)

Future plans for TMC Lakewood call for the addition of Eastern Jackson County's first neonatal intensive care unit and additional healing and wellness services.

TRUMAN MEDICAL CENTER
Lakewood

We're **more**
than exceptional
health care.

When your family needs health care, choose the skilled and compassionate team at the Lakewood Medical Pavilion. The Lakewood Medical Pavilion offers the expertise of board certified Family Medicine physicians and specialists, the convenience of a private medical office and the support of a full service hospital.

Whether you need a routine physical examination or help with a specific complaint, the Lakewood Medical Pavilion can help. Specialty areas include:

- ▶ Cardiology
- ▶ Dermatology
- ▶ Endocrinology
- ▶ Obstetrics/Gynecology
- ▶ Orthopedic
- ▶ Pediatrics
- ▶ Podiatry
- ▶ Surgery

Our focus is patient-centered care with comprehensive medical services for the entire family, including:

- ▶ Women's health
- ▶ Chronic disease management
- ▶ Newborn and pediatric care
- ▶ Adolescent health
- ▶ Physical evaluations
- ▶ Seniors/Geriatric
- ▶ Prevention and wellness

Located on the south side of the TMC Lakewood campus, just inside the Care Center entrance, the Pavilion's convenient office hours are Monday through Friday, 8:00 a.m. to 4:30 p.m. Call **816.404.7600** to schedule an appointment.

LAKEWOOD | MEDICAL
PAVILION

Miracles are born here everyday.

We focus on individualized care, which allows a mother to experience birth in the comfort and privacy of her own room. Mothers and their babies stay together from the time of check-in until they're ready to go home. Family involvement is encouraged during this special time.

Our rooms are comfortable, private and feel like home. Each has a special birthing bed. Each of our ten individual suites feature:

- ▶ A private bathroom with a shower
- ▶ A rocking chair
- ▶ A chair that converts to a bed for an overnight guest
- ▶ A phone with its own outside line
- ▶ A TV and VCR
- ▶ Family-friendly visiting hours
- ▶ A surgical suite for cesarean births
- ▶ A choice of anesthesia, including epidural
- ▶ A newborn hearing screening program
- ▶ An infant security system
- ▶ On-site lactation services, with daily visits to all breastfeeding mothers
- ▶ Post-discharge support

We also offer the following classes:

- ▶ Childbirth
- ▶ Breastfeeding
- ▶ Pregnancy to Parenting
- ▶ Babysitting (for children 12 and older)
- ▶ A Baby Brunch for new moms
- ▶ Sibling Preparation
- ▶ Infant feeding
- ▶ Infant massage

You are welcome to visit the H&R Block Birthing Center, located on the 3rd floor of Truman Medical Center Lakewood. You can also call us for more information at **816.404.8240**.

Our residents call the Lakewood Care Center, "home."

The Lakewood Care Center is a vibrant, compassionate residential care community located in a friendly, park-like environment on the TMC Lakewood Campus. Our 212-bed facility offers a semi-private room furnished with a bed, desk, lounge chair, television and wardrobe.

Skilled Registered Nurses and Certified Nursing Assistants provide quality and attentive clinical care to the residents around the clock.

Additional services include:

- ▶ Registered Dietitians
- ▶ Recreational Therapists
- ▶ Physical, Occupational and Speech Therapists
- ▶ Gerontologists available 24/7
- ▶ Masters' level Licensed Social Workers
- ▶ A Patient Advocate
- ▶ A Chaplain
- ▶ A 20-bed Alzheimer's Unit
- ▶ A unique Intergenerational Program
- ▶ Pet therapy

Interactive events include:

- ▶ Family dinners
- ▶ Gardening activities
- ▶ Games and exercise programs
- ▶ Field trips to local attractions

Amenities include:

- ▶ A Gift Shop
- ▶ An outdoor garden area with individual wheelchair accessible garden plots
- ▶ A Courtyard
- ▶ A Resident/Bargain Shop where residents can shop for free clothing, toiletries and other items
- ▶ A Barber and beauty salon services

Family Medicine Center

The Bess Truman Family Medicine Center is a major artery of outpatient care services at Truman Medical Center Lakewood. With more than a dozen qualified physicians providing medical care, patients receive the added benefit of the on-site attending physicians who provide consultation and support to the primary care doctors.

Whether routine screenings or specialized diagnostic care, the Bess Truman Family Medicine Center provides quality family practice – from pediatrics to gerontology.

TMC Lakewood provides nearly 80,000 outpatient visits each

Medical Imaging Services

The Radiology Department at TMC Lakewood is equipped to provide a full range of medical imaging services including mammography, angiography, bone densitometry, ultrasound and fluoroscopy.

Digital radiography equipment, including the Picture Archiving System (PACS) renders high definition images, eliminating film and providing physicians with immediate results. This technology gives patients alternatives to invasive surgeries and procedures.

For more information or to schedule an appointment, call **816.404.9210**.

The Lakewood Surgery Center is staffed with experienced, operating room nurses, board certified anesthesiologists and state of the art equipment.

With capabilities for inpatient and outpatient surgeries, the facilities are designed with your privacy and comfort in mind. Our mission is to give you quality care in a trusting and compassionate environment.

TMC Lakewood performs more than 2,300 surgeries each year.

The professional rehabilitation staff at TMC Lakewood focuses on maximizing a person's independence and facilitating healthy living. Staff take a direct and personal approach working with people of all ages who have various conditions and/or disabilities, including:

- ▶ Amputations
- ▶ Arthritis
- ▶ Cerebral Palsy
- ▶ Brain Injury
- ▶ Lymphedema
- ▶ Multiple Sclerosis
- ▶ Orthopedic Injury
- ▶ Spinal Cord Injury
- ▶ Stroke
- ▶ Total joint replacement
- ▶ Urinary Incontinence
- ▶ Work Related Injuries

Regardless of where patients are in their recovery, we utilize a variety of interventions to help meet our patients needs and goals, including:

- ▶ Occupational Therapy
- ▶ Physical Therapy
- ▶ Speech Therapy
- ▶ Audiology
- ▶ Recreation and Music Therapy
- ▶ NeuroPsychology
- ▶ Dietary

For more information, please contact Medical Rehabilitation at **816.404.8556** or the Transitional Rehabilitation Center at **816.404.9255**.

Digestive Care Center

The Digestive Care Center includes two endoscopic procedure rooms, five private patient rooms, a nursing station and waiting area.

Each procedure room is equipped with cutting edge technology including Olympus endoscopic instruments and computerized charting capabilities.

Physician referrals are required.

Emergency Medicine

With a veteran team of Board Certified Emergency Medicine physicians, TMC Lakewood has one of Eastern Jackson County's busiest emergency departments.

The qualified team of physicians and nursing staff provide skillful medical care in a kind and compassionate environment.

To reach the Emergency Department, call **816.404.7500**.

TMC Lakewood handles more than 30,000 Emergency Room visits each

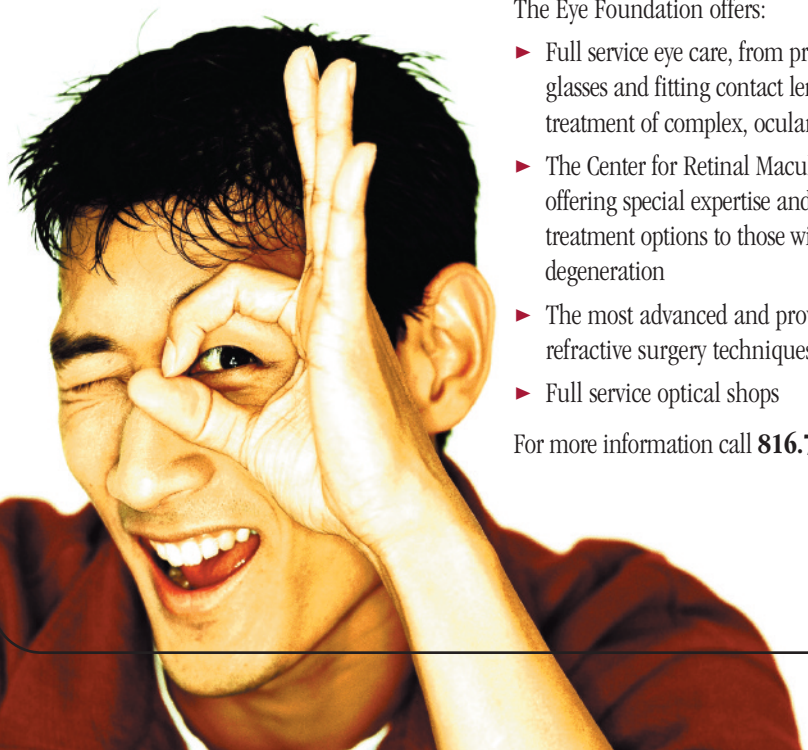

The Eye Foundation, conveniently located on the TMC Lakewood campus, offers accessible and comprehensive patient care, treatment, education, research and rehabilitation services.

As the Department of Ophthalmology at the University of Missouri-Kansas City School of Medicine, researchers are discovering new procedures, new technologies and new insights into eye disorders that affect the sight of million of Americans.

The Eye Foundation offers:

- ▶ Full service eye care, from prescribing of glasses and fitting contact lenses to the treatment of complex, ocular diseases
- ▶ The Center for Retinal Macular Diseases, offering special expertise and advanced treatment options to those with macular degeneration
- ▶ The most advanced and proven refractive surgery techniques
- ▶ Full service optical shops

For more information call **816.795.4388**.

Cleveland Chiropractic College Wellness Center at TMC Lakewood provides a variety of chiropractic services including:

- ▶ Assessment and radiography
- ▶ Manual/manipulative therapy
- ▶ Therapeutic exercise
- ▶ Patient education
- ▶ Physiological therapeutics.

Chiropractics uses conservative strategies to maximize the body's ability to regulate and heal itself. It emphasizes the body as a self-regulating, self-healing organism with function controlled and coordinated by the brain, spinal cord and nerves.

The Wellness Center is located on the first floor of the Care Center building. To schedule an appointment Monday through Friday from 8:30 a.m. to 12:30 p.m. and 1:30 p.m. to 5:30 p.m., call **816.404.9120**.
